

Fantasia Barrino, Truth Is

Ahh Ohhh... Ohhh Ah oh Ah

Ran into an old friend yesterday
Caught me by surprise when he called my name
He was a familiar face, from a chapter in my past
Talked for awhile, asked him how hes been Said that he was seeing somebody and
Told me this was gonna last
Showing me her photograph

And all the feelings I thought were gone
Came rushing back to me at once
Tried to smile and hide the way I felt
But I was thinking to myself

(Truth is) I never got over you
(Truth is) Wish I was standing in her shoes
(Truth is) and when it's all said and done, Guess I'm still In love with you
(Truth is) I never should have let you go
(Truth is) and it's killing me cause, now I know
(Truth is) and when it's all said and done, Guess I'm still In love with you

[verse 2]
We reminisce on the way things used to be
Shared a couple laughs, and some memories
Talked about the things that changed
Some for good and some for bad
Then he said good-bye and he paid for lunch
Promised that we'd always keep in touch
Grabbed my bags and grabbed my thoughts
Walked away and that was that

And all the feelings I thought were gone
Came rushing back to me at once
Tried to smile and hide the way I felt
But I was thinking to myself

(Truth is) I never got over you
(Truth is) wish I was standing in her shoes
(Truth is) and when it's all said and done, Guess I'm still In love with you
(Truth is) I never should have let you go
(Truth is) and it's killing me cuz now I know
(Truth is) and when it's all said and done, Guess I'm still In love with you

[bridge]
Now the truth is, it hurts
But I know that the fault's mine
Cause I let him go
Tried to get over it, but it's messing with my mind(because I know)

[2x]
(Truth is) I never got over you
(Truth is) wish I was standing in her shoes
(Truth is) and when it's all said and done, Guess I'm still In love with you
(Truth is) I never should have let you go
(Truth is) and it's killing me cuz now I know
(Truth is) but when it's all said and done, Guess I'm still In love with you

I just gotta be honest, I guess
I-I guess, I'm still in love, in love, in love
