

Fantasia, Without Me (ft. Kelly Rowland, Missy Elliott)

Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you

Really gon? make me expose you for exactly what you are
(you are)
And I?m feeling a little wavy, so right now I don?t mind pulling your card
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you

And as hard as you try to hide reality while we know the truth
So act brand-new if you want to

But what would you be without me?
Where would you be without me?
So what you blowing up just a little
They knowing you a little
Don?t give a finger in the middle
Cause you will never be
Without me
Where would you be without me?
So what you blowing up just a little
They knowing you a little
Don?t give a finger in the middle
Cause you will never be

[Kelly Rowland:]
You tell ?em that you make big moves
But tell ?em what you really do
Do you really wanna play this game
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
You should tell ?em what you really like
Tell ?em you ain?t bought that life
I?ve put you on, I let you shine
Now you so fly shit blows my mind
Oh, oh

And as hard as you try to hide reality while we know the truth
So act brand-new if you want to

But what would you be without me?
Where would you be without me?
So what you blowing up just a little
They knowing you a little
Don?t give a finger in the middle
Cause you and I will be
Without me
Where would you be without me?
So what you blowing up just a little
They knowing you a little
Don?t give a finger in the middle
Cause you without me

[Missy Elliott:]
