

# Far From Heroes, Liar, Liar

tell me how does it feel to lie right to my face  
when in the back of your mind you will always remember  
that night that you spent over with him  
can't confess just confess move on with it move on

and i could never tell when you were lieing  
cause you're good at what you do and it's only me you lose  
and you're were so convincin when denying  
and do you lie to your new guy  
or do you sit and watch him cry

tell me how did you think that i'd never find out  
when i'm friends with your friends and i'm nicer than you  
so they tell me whatever and not really care  
but i do so i hate you i made you swear

and after all we went through i was still friends with you  
but tonight i found out what you're all about  
so i'm not gonna bother to call you  
as of tonight we are finally through  
and as the end of us i hope i forgot every dinner and movie  
every deed i regret cause i really don't need anything  
cause you lie you're so vacant so in

and i could never tell when you were lieing  
cause you're good at what you do  
and it's only me you lose  
and you were so convincing when denying  
and do you lie to your new guy  
or do you sit and watch him cry

i could never tell when you were lieing  
cause you're good at what you do  
and it's only me you lose  
and you were so convincing when denying  
and do you lie to your new guy  
or do you sit and watch him cry
