

Far From Heroes, Light A Match

I know, you're right on time now
I know you're right on
I know I don't deserve you
I know you're right
I'll learn from my mistakes now
Forgive me I know
I know, I know I'm wrong now
I know I'm wrong

These memories, are coming back to haunt me
And get under my skin
And I can't believe, that you'd leave alone without me
Just to get under my skin

These subtleties
Suddenly defeat me
And get under my skin
I won't conceive
That you never would forgive me
Just to get under my skin
