

Far-less, Garage Band Degree (Everyone Else Is

Sent out a call to acquaintances
We're gonna leave around five, on time
Get up and move yourself to the shuffle beat,
Garage band degree.
Polyrhythmic, polytechnical institution.

My favorite secret is coming to town
You better believe it
An invitation to the exotic.
Enter the circle or stand outside of it.
It doesn't have to be a complicated process

The sound is begging you to come inside.
The music makes you feel so alive.
On every weekend, they come out at night.
Who wants to join us in the rock and roll life (lie)?

Construct some nonsense that makes sense.
But get a brand new pair of pants
If you don't find the right t-shirt
Then you might miss the first (act).

My favorite secret is coming to town
You better believe it
An invitation to the exotic.
Enter the circle or stand outside of it.
It doesn't have to be a complicated process

The sound is begging you to come inside.
The music makes you feel so alive
On every weekend, they come out at night
Who wants to join us in the rock and roll life (lie)?

You've got your new dress on?
Dance to the song that you want.
You've got your hair teased up?
Dance to the song that you want.
You've got your tight jeans on?
Dress for the song that you want.
Now just lace up those chucks.
Dress for the song that
An invitation to the exotic.
Enter the circle or stand outside of it.
It doesn't have to be a complicated process

The sound is begging you to come inside.
The music makes you feel so alive
On every weekend, they come out at night
Who wants to join us in the rock and roll life (lie)?

An invitation to the exotic.
