

Far-less, Keep Keep

I wouldn't listen
No one really knows
I didn't care what anybody thought
I knew that I was not destined to fall
Everybody knew that I was wrong
I can't believe in you
If you don't believe in me
I am not infinite
No, I am authentic and...

You're so crazy
Aren't you something?
What you don't know can hurt you
Lines are drawn in
Lines are crossed out
No one will love you

I have words
Love is equality
Not conquest
Not a harbor for deceit
I have heard what goes around
Comes back around
Oh, did I lose my flavor too soon for you?
I am not infinite
No, I am authentic

The first thing that you've got to accept
Is the fact that the rest of the world
Isn't like you
