

Farmer's Boys, Muck It Out

I can't work it out
You can't stand me up
Time is on hand, I've learned my lesson
Time is so short
But it's so precious to us
Us

I laugh, you cry
But tell me why do you lie?

You told me you're sorry
I wait all night for you
Waiting impatiently
I'm sorry too

I can't wear it out
Please don't tear me up
Each time it's worse, worse than the last time
This time's the last
If it's not clear work it out
Out

You'll laugh, I'll cry
But I'm not like those other guys

You told me you're sorry
I wait all night for you
Waiting impatiently
I'm sorry too

[Spoken]
You told me you're sorry
I wait all night for you
Waiting impatiently
I'm sorry too
You called me up when I was working so hard
But now I've done nothing so are you sorry too?

You told me you're sorry
I wait all night for you
Waiting impatiently
I'm sorry too
You called me up when I was working so hard
But now I've done nothing and you're sorry too
