

# Faron Young, Everything I Have Is Yours

Everything I have is yours you're part of me  
Everything I have is yours my destiny  
I would gladly give the sun to you if the sun were only mine  
I would gladly give the earth to you and the stars that shine

Everything that I possess I offer you  
Let my dream of happiness come true  
I'd be happy just to spend my life waiting at your beck and call  
Everything I have is yours my life my all  
[ guitar ]  
Everything I have is yours you're part of me...  
Everything that I possess I offer you...
