

Faron Young, I Miss You Already (And You're No

(Marvin Rainwater - Faron Young)

Oh, I miss you already
And you're not even gone
The time has come you're telling me goodbye
And I know I can't stop you if I try.

I've had too many chances
Now I'll have to set you free
I watch you go, too late
I know how much you mean to me.

Yes, I miss you already
Don't know how I'll go on
I miss you already
And you're not even gone.

--- Instrumental ---

So kiss me once again
And please don't cry
And I'll promise
There'll be no more alibis.

I'll have to find myself
A way to face this loneliness
I watch you go, too late
I know I've lost my happiness.

Yes, I miss you already
Don't know how I'll go on
I miss you already
And you're not even gone...
