

Faron Young, If I Had You

I could show the world how to smile I could be glad all a while
I could change the gray skies to blue if I had you
I could leave the old ways behind leave all my pals I'd never mind
I could start my life anew if I had you

I could climb the snow-capped mountains sail the mighty ocean wide
I could cross the burning desert if I had you by my side
I could be a king dear on a crown humble or poor rich or renowned
There is nothing I couldn't do if I had you

I could show the world how to smile...
I could climb the snow-capped mountains...
If I had you if I had you
