

Faron Young, My Darling, My Darling

My darling my darling I wanted to call you my darling
For many a many a day
My darling my darling I flooded and flagged like a starling
My courage just melted away

Now all at once you've kissed me
And there's not a thing I'm sane enough to say
Except my darling my darling get used to that name of my darling
It's here to stay

(My darling my darling my darling my darling)

[guitar]

(My darling my darling my darling my darling)

[guitar]

(Now all at once you've left me
And there's not a thing I'm sane enough to say
My darling my darling my darling my darling)

My darling my darling I wanted to call you my darling...
Now all at once you've kissed me...
