

# Faron Young, She's Not For You

(Willie Nelson)

Pay no mind to her, she only wants to play  
But she's not for you, she's not for you  
And I'm the only one who would let her act this way  
But she's not for you, she's not for you.

She just looks for greener pastures now and then

And when she grows tired she knows  
Old faithful will just take her back again

So just leave her here, I'm used to feeling blue

But she's not for you, she's not for you.

--- Instrumental ---

So she told you she found heaven in your eyes

Well, I think it only fair to warn you that sometimes she lies

But it's your heart, I can't tell you what to do

But she's not for you, she's not for you.

She's not for you, she's not for you...
