

# Farris Dionne, 11th Hour

Walking away was the best thing I could ever do  
Once you make your decision, your decision is made  
When we find ourselves up in arms more often than most  
By then we know it's time to go  
And walking away was the best thing that I could ever do

Chorus:

It's 11th hour (4x)

La la la la (3x)

I'm so glad time and space was shared together

Songs were sung and laughter filled the air

But just as life is long, we must move on

And chart our own course to the rising sun

Chorus

Repeat 2nd verse
