

Farris Dionne, Water

Chorus:

Don't go near the water if you don't like to swim
'Cause somebody just might try and push you in
Well now, how many times have I told you
Not to get your feet wet
If you don't like the water on you
My baby baby baby get back

Chorus

See just because it may look good
It don't mean you always have to indulge
'Cause that's when it happens
And you never know you might fall overboard

Chorus

I hope you're listening to what you hear
'Cause I would never tell you no wrong
But you don't have to believe me
'Cause after all it's only a song
