

Fascinoma, I'm Walking This Road Because You

I'm walking this road because you stole my car
I'm singing this song 'cause you have all my CDs
You want me to believe in your love
And yeah, I will when you give back my stuff

Give back my stuff

The gerbils are dead your books have found a home
Under the tree where I have buried your clothes
You want me to believe in your love
And yeah, I will when you dig up your stuff

Dig up your stuff

How am I supposed to learn what love is in this lifetime?

How am I supposed to learn what love is, what love is if you go
if you go
if you go
if you go

Don't go, don't go, don't go, don't go, don't go, don't go,
Don't go, don't go, don't go, don't go, don't go, don't go,
Don't go, don't go, don't go, don't go

I'm walking this road because you stole my heart
I'm singing this song 'cause you have all my CDs
You want me to believe in your love
And yeah, I do 'cause I can't love you enough

Can't love you enough

Give back my stuff

You have my love

Don't go, don't go, don't go, don't go, don't go, don't go
Don't go, don't go, don't go, don't go, don't go, don't go,
don't go, don't go, don't go, don't go
