

# Fastbacks, Seven Days

Lost for seven days so I tried to find  
Some of the things that I&#039;d left behind  
Then I saw what I never had discovered  
Days gone by that can never be recovered  
Lost for seven days now they&#039;re lost forever now  
Seven days ago I lost my mind  
Seven more days spent to rewind  
Seven days lost in my mind  
Years gone by I&#039;ve changed my mind  
Lost for seven days now they&#039;re lost forever now
