

# Fastball, Altamont

Altamont now we won't be the same  
When we see each other again  
If it all falls apart who is to blame

Don't you think it's time to get real  
I want to scream out the way I feel  
I'm so tired of watching you bail

Hey don't try to tell me it's okay  
Don't turn me off and walk away  
You've gotta set it straight

Close the door, but it won't go away  
Tell me that it's out of your control  
I'm not waiting for you anymore

Hey don't try to tell me it's okay  
Don't turn me off and walk away  
You've gotta set it straight

Altamont I'm on your side  
Believe it or not I'm on your side  
It's so hard to be your friend sometimes

Hey don't try to tell me it's okay  
Don't turn me off and walk away  
You've gotta set it straight  
You'd better set it straight
