

Fastball, Nothing

Well they've been writing your name on the bathroom wall
But it don't mean nothing
It don't mean nothing

They wanna ruin your life, wanna see you take a fall
But it don't mean nothing
It don't mean nothing

Stupid people say stupid things
And it'll drive you right up the wall
Sometimes I feel the same way too
But it don't mean nothing at all

Your mom and dad don't care about the way you feel
And you just can't take it
You just can't take it

You got the short end of a shitty deal
And you just can't take it
You just can't take it no more

Stupid people say stupid things
And it'll drive you right up the wall
Sometimes I feel the same way too
But it don't mean nothing at all

They put a lot of effort into making you feel like a clown
You gave it you best shot, and they shot you down

Stupid people say stupid things
And it'll drive you right up the fucking wall
Sometimes I feel the same way too
But it don't mean nothing at all
Well it don't mean nothing at all
It just don't mean nothing at all
Well it don't mean nothing at all
