

Fastball, Sooner Or Later

I'm gonna get under your skin
Sooner or later
I'll find the key that lets me in
Sooner or later
Yea 'cause you just can't keep me down
Yea 'cause you just can't keep me down

I'm gonna take my time all right
Sooner or later
You gonna let me treat you right
Sooner or later
Yea 'cause you just can't keep me down
Oh if you'd only give me
Time
Is really all that I need
To push it through
To make you see
I'll make you see
I'm gonna take my time all right
Sooner or later
You gonna let me treat you right
Yea 'cause you just can't keep me down
Yea 'cause you just can't keep me down

Time
Is really all that I need
To push it through
To make you see
I'll make you see

Sooner or later [Repeat]
