

Fat Freddy's Drop, Roady

You're so good yeah yeah yeah....

You know it feels so good
When I know you're skankin' with me
So good when I know you're skankin'
So good when you do

Yes, it feels so good
When I know you're rockin' with me
So good when I know you're rockin'
So good when you do

Yes, it feels so good (so, so good...)
When I know you're skankin' with me
So good when I know you're skankin'
So good when you do

Yes, it feels so good (so, so good...)
When I know you're rockin' with me
So good when I know you're rockin'
So good when you do

(Ladi6 on vocals)

Said, it feels so good, never wanted to leave,
Back on the mic, and we do it with ease
Lovin' every minute when we get on and spin it,
We take the music to the limit when we love it and live it!

(Back to Joe Dukie)

See, where do you go?
See, where do you go?
Cause I'd really like to know,
Where you go

And it all comes down to it,
In the precious of the light
How do you keep on skankin' through
The darkness and the light

How do you ride it through
Like it's a nature too?
Well, I've been watchin' you,
Watchin' the things you do
I see the way you groove,
Make me believe your ways
Where do you go to play?
Show me that peaceful place, the peaceful place, yeah!

(Ladi6 on vocals)

I'm back, yo I'm the sheila at the microphone,
Who's back? Fat Freddy's, me, we all up in the zone
Special Editions are found and stored and then side-created
I had a printer elevatin' so I elevated
Up in the sky, the heavens goin' far beyond,
Expectations of myself and where I came from
Open your eyes and take a look at what's before you now,
You know you know how to do it but I show you how
I got the lyrics and I got the beat,
Put it all together, collaboration complete,
No defeat,
Even if you don't like us, you just

(Joe Dukie)

Do it for the love of music...

(Do it) for the love of music...
(Do it) for the love of music...
(Do it) for the love of music...
Do it for the love of music... x8

Woah...

Spark to the fire, push to the flame,
Mentally reject positive faulting,
Expand the limit, down to the one,
Drop minor, ALL TOGETHER ON THE FIRE!

Fire! And push to the flame,
Mentally reject positive faulting,
Expand the limit,

Do it for the love of music... Woah...

Fire...
(Music, Woah... Music, Woah...)
Fire
Fire

Do it for the love of music... Woah...

Fire
(Music, Woah... Music, Woah...)
Fire
Fire

Fire
Fire

(P.Digsss on vocals)
I see
On the horizon
We come to burn pride
Pushing for the truth and the right
We come, we don't stop
Free flow, moving with the drop
Take it as a multiple directions
Pulling it red, we're universal connections
Free your soul
Collective
And respective
Never dwelling on the negative
I respect this
Beat this jam
Putting in word for the monster
Brag
Keepin' it fresh for the headsuit
Big nonstop droppin' it
That's it
Sweet

(Joe on outro)
Dropping on the regular faces
Dropping on the regular faces
(Sweet!)
Dropping on the regular faces
(Sweet!)
We're dropping on the regular
And on the regular
And on the regular faces...
