Fat Joe, Firewater

< 4:30 in the morning, mira you know what I mean, mira let's get this money sorted and counted, word know what I mean, dame te culo mami give me my shit back, mira, hey yo Fat Joe and them is here now, word shine like marbles, collects diamonds the remix, add on son politic for the real ones...>

Chorus-Raekwon

We get knots, like stockbrokers who own Marriotts Blast shots for all my niggas who splash cops The rich Corleone camp is here, thousand and one Corner son, fake a jack, you be a goner....

Raekwon-

Yo, control this rap like Napoleon Half-Mongolian, hold it, you owe me in Rock 'em like linolieum, yeah Lex, diamonds, shin'in like you rhymin' 929'n, Titanium glass, time to play that ass Whirlwinds of French, come movin' intense Time to pull again, release the shell, well Make 'em yell again, so sleek But I'm a be maxin' in suites Countin' your paper and countin' your sheeps Hittin' your chick in Jeeps Miraculously, attack your faculty, who wanna tackle me? You jack mack, kidnap 'em for free What?, you got heat, you better pop those We movin' like gestapos, through underground potholes That rock those, much land discoveries Chrome rims, sippin' bubbly Who livin' lovily, half a brick to cover me So dissin' me, come on now listen G, You's a dime I'm a key Thun, thun straight out of Sicily Now, back to the stash crib Joey Crack baggin' up cracks One love, give 'em Jeep bags, Kid!

chorus

Fat Joe-

Word ...life, I'll be the infamous
Who leaks the witnesses, crack's the wickedest
Run up in your crib, blast your kids
Ain't no myth in this, shit's official
I'll pistol-whip you with my Smith & Description
Cause my investin' was sendin rappers to heaven
Gives me an erection
You need protection from the smooth assassin
Who really moves at action, blastin' mothaf**kas
Execution fashion
Now who's the fat one that you love to hate
Catch you at your mother's wake, smack you
Then I'll wack you with my snub 38
It doesn't take much to make me restless

Look at my face and definite lose your breath

truck my face is Lexus
You want to test this, so really?,
I'll make one call and have the whole WU comin' on the ferry
I'm very dangerous and well-connected
I puff an L with Method, then try to
Decide who's next to fill his neck slit
So respected and admired the boss, retired your lost
Wu Tang, your terror squad, vaya con Dios!

chorus

Punisher-

You guys despise guys like us Guys like us, disgust like Spartacus You cuss and claim a bust You lust for a part of us, you thrust But can't touch Plus we far from any type of fellas you can trust Put the pressure on the mic, I biz Press to your chest, sound like sweat on my back We're having sex, tight-ass flex Pretty Pocahontas pussy sweet, like my new Tek Sis' got curves like a GS, 300 Lex My body's 95% alcohol, 5% cancer Sosa diamonds, Getty, Lucci, blaze it up like Bonanza Catch me in the cut, easy G's is burnin' my gut As I Remember my menage au trois was mired by sluts I questionmark your heart, punctuate your fate All your version predicates Done as well as you pronunciate In the (west)?, we're gonna break you off the isle Take C.O.s hostage arab style, no surrender

chorus

Fat Joe-

Yo, I'm all about business and enterprisin' Advisin' financial advisors on franchisin' the wider than horizons Divisin' ideas with masterminders Movin' on a stash of diamonds First we get the cash, then we laugh like miners Don't get me wrong I'm a funny bastard But when it come to money, son, I'm not the one to laugh with I'm after for what cash can bring me brothers Me and my demon lovers blast and laugh at hyenas Back to Ringling Brothers believe them others You's the best, yet, and still I'm investin' mils on a hunch over lunch Puffin' on a Chesterfield, who wants to test The real scandalous I'm at the Sands in Los Angeles Plannin' hits with an ananymous philanthropist Spanish kids, close to God, like evangelists Choppin' niggas up and makin' sandwiches....

Big shout to my man Raekwon, word is bond
