

Fatal Flowers, Deep Inside

I ain't a man of too many words
And there are things I find hard to say
So when you misread me baby time after time
Well I know I got myself to blame
'Cause I want a little of this and then a little of that
And sometimes I'm happy with the things that I have
Ooh and sometimes baby I just don't know
And sometimes I wonder baby does it show

Sometimes I walk home late at night
I wanna have everything that ain't mine
And sometimes I can just look at the sky
And let the whole world pass me by
Ooh and I wanna stay out all night, I wanna see the sun rise
I couldn't care less wheter I live or die
He do you know, I said baby does it show
Baby, baby do you know
Baby do you know about the things I try to hide
And do you know about the things that are goin' on deep down inside

Sometimes my mind wonders off
And I wonder does it show
And sometimes I just can't get enough of you
And I wonder do you know?
Hey do you know, I said baby does it show
Baby, baby do you know

Baby do you know about the things I try to hide
And do you know about the things that are goin' on deep down inside

Baby do you know about the things I try to hide
And do you know about the things that are goin' on deep down inside
