

# Fatal Smile, Crush On You

I've got a Crush On You  
I wanna be with you.

I can feel it around everyday  
It surrounds me like I'm in a haze  
I'm desperate in love and alone,  
hear my call

I've got a Crush On You (Crush, Crush)  
I wanna be with you (Crush, Crush)  
I've got a Crush On You (Crush, Crush)  
I'm under your spell  
You're my wishing well

The next day is like one before  
Once again I stumble and fall  
To another I give my heart away,  
as I say

I've got a Crush On You (Crush, Crush)  
I wanna be with you (Crush, Crush)  
I've got a Crush On You (Crush, Crush)  
I'm under your spell  
You're my wishing well

You are the one, you're the one I've been looking for  
The only one, and I don't have to search anymore no more

I've got a Crush On You (Crush, Crush)  
I wanna be with you (Crush, Crush)
