

Fatboy Slim, Drop The Hate (Remixed by Rev. H.

Tonight, we not only speak, to the members of the greater Jerusalem baptist church
We not only speak, to baptist people tonight
We not only speak to, the methodist people tonight
Church of God and right,
Catholic, and no particular denomination
No particular city

But tonight we speak to the whole nation
Tonight, our message

Drop the hate, forgive each other
Drop the hate
Drop the hate, forgive each other
Drop the hate
Drop the hate, forgive each other
Drop the hate
Drop the hate, forgive each other
Drop the hate

Drop the hate

I'm calling on heaven and me
To join hands tonight, oh Lord
Let's join hands
And walk together, oh yeah

And I'm leading it tonight
Yeah I'm leading it tonight
Yeah I'm leading it tonight
Let's all join hands

Drop the hate, forgive each other
Drop the hate
Drop the hate, forgive each other
Drop the hate...
