

Fatboy Slim, Star 69

Fuck (echo)

They know what is what

But they don't know what is what

They just strut

What the fuck?

They know what is what

But they don't know what is what

They just strut

What the fuck?

They know what is what

But they don't know what is what

They just strut

They just strut

What the fuck?

What the fuck?

They know what is what

But they don't know what is what

They just strut

What the fuck?

They know what is what

But they don't know what is what

They just strut

What the fuck?

They know what is what

But they don't know what is what

They just know what is what

But they don't know what is what

They know what they know

But they don't know what is what

They just strut

What the fuck?

They just strut

What the fuck?

What the fuck?

They know what is what

But they don't know what is what

They just strut

What the fuck?

They know what is what

But they don't know what is what

They just strut

What the fuck?

They know what is what

But they don't know what is what

They just know what is what but they don't know what is what

They just know what is what but they don't know what is what

They just know what is what but they don't know what is what

They just know what they know but they don't know what is what

They just know what they know but they don't know what is what

They just know what they know but they don't know what is what

They just strut

What the fuck?

What the fuck?

They just know what they know but they don't know what is what

They just know what they know but they don't know what is what

They just know what they know but they don't know what is what

They just know what they know but they don't know what is what

They just know what they know but they don't know what is what

They just know what they know but they don't know what is what

They just strut

What the fuck?

They know what is what

But they don't know what is what

They just strut
