

Fate, Black Dog

{Le chien est le meilleur ami de l'homme}

Maniac creature with gigantic teething
Pay attention to that killing machine
Staring (at) me with eyes of hate
And growling like a truck engine

Appeared from nowhere
Barking and foaming
Having a terrible urge
(To) Grub my ass
(And) Shred my balls

There's only one solution if I don't want to die
It's to run ! Run ! Run ! Run !

Scared to be devoured
Running for my life
If I am lucky
I'll get out alive !

F**ked !
