## Fatima Rainey, Love Is A Wonderful Thing

Love Is A Wonderful Thing by Fatima Rainey

You shouldn't hesitate about my feelings for you I've proven so many times and different ways to you I hope somewhere deep inside you know that i love you because whenever you come walking my way I say hey, hey yeah o love until the morning comes I say hey, hey yeah I'll kiss you in the morning sun Now is not the right time to get serious Now is not the right time I don't want to seem mysterious Give me time, in time I'll be I'll forever set myself free But whenever you come walking my way I say hey . . . Love you more than words can say Love you more in every way The love we share is oh so strong I know that we both belong But whenever you come walking my way I say hey . . .
