# Fats Domino, Trouble Blues

So many tears
Since you went away
I'll always think of you
Each night and day

Someday
Someday, my darlin'
I won't be troubled no mo'

Trouble, trouble
Has it's misery
Already had
The best of po' me

Someday
Someday, my darlin'

I won't be troubled no mo'

(instrumental &amp;amp; guitar solo)

You heard my story
I'll sing my song
'Bout you leavin' po' me
You know that's wrong

Someday
Someday, my darlin'
I won't be
Troubled no mo'.
