

Fatso Jetson, Kettles Of Doom

No man's
Stuck with pride
He shuts down
Blackens out
No man's
Backward tongue
Sings praise
Spits it out
No man's
Poker face
Lame dog
Losing streak

No man's
No man's

No man's
Poker face
Lame dog
Losing streak
Bad plan
Laid it out
Your loss
Flush it down

No man's
stuck with this
Sing praise
Spit it out
