

Faydee, Nobody (ft. Kat Deluna & Leftside)

Look around It's Faydee and the lady Kat Deluna
Ok., Leftside, Leftside
Your love, your type is the only thing I need
Right here in my life
You're the only one for me
No more lonely nights
Girl, you know I'll always be
There for you, girl
Right here when you need
What you said?
It's just what you've told me, why

Why when I see you I go crazy
I loose my mind
That's my baby, she can
Get it tonight, get it, it's the live
Kiss on your neck the way that you like
Nobody loves you like I do
If you'll ever love, girl
I'm your love
