

Faye Wong, If You Were Mine

If you were mine
I could love you with my life
If you were mine
I'll be there all the time
We'll be so happy just you and me
'Dancin through the night
'Holdin you tight
I will treat you so right with my heart
Will you let me
Open your heart with my love
Will you let me
Show you how to be free
I just want you to be happy
Let me love you dear
Deep in my heart
My love won't you let me in your heart
Won't you tell me if you really 'wanna hide
Won't you tell me if you don't love me
I just want you to be happy
Let me love you dear
Deep in my heart
My love won't you let me in your heart
I've been 'waitin for that someone just like you
I wont let go until you say
Goodbye dear!
