

Fear, Beef Baloney

1-2-3-4-1-2-3-4

She don't like fashions, she don't like phonies
She don't like junkies, she don't like druggies
She just wants my beef baloney

Beef, beef beef, beef baloney (x4)

She don't like salami, she don't want pastrami
She don't want a chicken, she don't want a roast
She just wants her double dose

Beef, beef, beef, beef baloney, beef, beef, beef
