First I fell down and then I got shot up again!  
First I fell down and then I got shot up again!  
First I fell down and then I got shot up and,  
First I fell down and then I got shot up again!

Sanitarium!  
Electro-shockin' 'em!  
Disciplenary correctional surgery.

We're not thera-  
We're not thera-  
We're not thera-putic

First I fell down and then I got shot up again!  
First I fell down and then I got shot up again!  
First I fell down and then I got shot up again!  
We just love it here 'cos it's all really theraputic!
