

Fear, Camarillo (live 1986)

First I fell down and then I got shot up again!
First I fell down and then I got shot up again!
First I fell down and then I got shot up and,
First I fell down and then I got shot up again!

Sanitarium!
Electro-shockin' 'em!
Disciplenary correctional surgery.

We're not thera-
We're not thera-
We're not thera-putic

First I fell down and then I got shot up again!
First I fell down and then I got shot up again!
First I fell down and then I got shot up again!
We just love it here 'cos it's all really theraputic!
