[Intro:] In America today, every 25 fucking seconds someone is viciously raped, someone is brutally violated; 250 times a day, someone is murdered, someone's life is taken, In America; This is America, This is America, and I love America, I love America!

No remorse for the pain Look into the eyes of death Strong man cannot endure Big god of this earth

Liar! Big god, no god!

Take back this life Give back this world "Woe to you of earth and sea" Big god will always be

Liar! Big god, no god! Burn!
