

Fear Factory, Disruptor

I refuse to pledge allegiance
A ceremony of deception
Psycho sickness proppaganda
The predator to the prey

I refuse
I refuse
I refuse socjety
I refuse loyalty

No regrets
Follow your own way
Nothing can define you
Break off
Disobey

I am the disruptor
I am the disruptor

I resisr the powers that be
Anonymous truth seeker
A nation incarnatoined
To be enslaved by corporate fucks

I resist
I resist
I resist powerrs that be
I resist consciously
