

# Fear Factory, Echoes Of Innocence

Burn Away The Shade  
Where Babies Were Born And Played  
In The Corporate Eyes  
These Murdering Machines

Seeds Of Destruction  
Feeding Their Hate  
Slowly Killing Indians  
As They Burn Thier Sacred Place

Opress  
Depress  
Famine  
Asphyxiation

No Air To Breath  
Buried Without A Name  
As They Spread Disease  
It's All The Same

Burn Away The Shade....
