

# Fear Factory, Invisible Wounds (Dark Bodies)

dark bodies floating in darkness  
no sign of light ever given  
imprisoned in a world without a memory  
unconscious, or am i conscious?  
cut from the heart i am part of  
sometimes i feel as though i'm frozen in heaven

and i saw my own face in the dark and loneliness  
and i saw my own face like a spark frozen in heaven

in dreams i see myself flying  
closer to the sun, and i'm climbing  
tried to touch the sun  
but the brightness burned my eyes  
unconscious, or am i conscious?  
fell from the sky like a star  
sometimes i feel as though i'm frozen in heaven

and i saw my own face in the dark and loneliness  
and i saw my own face like a spark

dark  
my life was so dark...  
my mind was so dark...  
everything was dark

unconscious, or am i conscious?  
fell from the sky like a star  
sometimes i feel as though i'm frozen in heaven

and i saw my own face in the dark and loneliness  
and i saw my own face like a spark frozen in heaven  
dark bodies floating in darkness...
