

Fear Factory, My Grave

My Grave (x3)
Scream in pain
Die in flames (x3)
Lost in darkness
God forgotten
Run in fear so you can hide
In the dark
Run in fear so you can hide
Forever
Hoping beyond my grave
My grave (x3)
Running to hide
Closing your eyes
Run in fear so you can hide (x3)
Run in fear closing your eyes
Hoping beyond
Hoping I can see beyond my grave
My grave (x7)

hoping... beyond... hoping i can see.. beyond my... (* in background *)

beyond my grave
my grave (x7)
