

Fear Factory, Resistancia!

Hey!
They walk over you
As if you weren't there
Equality does not exist
In our cold life since...
They don't know who you are
They don't care
They don't see that we are
Everywhere
Nation under fire
And they just sit back
They don't seem to realise
That we will fight back
They don't know who you are
They don't care
They don't see that we are
Everywhere
Out of sight
Out of mind
Out of sight
Out of mind
They walk all over you.

Look into their eyes.
Make them see their foes.
Thieves are in town, feed your world (???)
Destruct their fate to blow.

They don't know who you are.
They don't care.
They don't see that we are
Everywhere.

Out of sight.
Out of sight.
Out of mind.
Out of mind.
Out of sight.
Out of sight.
Out of mind.
Out of mind.
Out of sight.
Out of sight.
Out of mind.
Out of mind.
