

# Fear, I Don't Care About You

Down on South Street Philadelphia,  
Out from Avenue C,  
I seen it in the eyes  
it was ready to freeze  
from the valley hotel!

I don't care about you!  
Fuck you!  
I don't care about you!  
Fuck you!

I see Hollywood boulevard,  
welfare hotel,  
I spent the night in jail,  
near the Wicox hotel!

I don't care about you!  
Fuck you!  
I don't care about you!

I've seen an old man have a heart attack in Manhattan.  
Well he just died while we just stood there lookin' at him.  
Ain't he cute?

I don't care about you!  
Ohhhhhhhh!  
I don't care about you!

I see man rollin' drunks,  
bodies the streets.  
Some man was sleepin' in puke  
and a man with no legs crawling down 5th street trying to get something to eat!

I don't care about you!  
Oh noooooo!!  
I don't care about you!  
Fuck you!  
I don't care about you!  
Hey! Hey!  
I don't care about you!
