

# Fear Of Pop, Rubber Sled

"Up the stairs"

&quot;Can I help ya, son?&quot;

"To her apartment"

&quot;Yeah, pops, I, I need something quick,  
something now...&quot;

"She is balled up on the couch"

&quot;Quick.&quot;

"Her mom and dad"

&quot;...to get out of here...&quot;

"Went down to Charlotte"

&quot;Quick and now.&quot;

"They're not home to find us out"

&quot;..like a bike or, or a motorcycle or..&quot;

"And we drive"

&quot;Bike, I haven't got any bikes, haven't got any motorcycles.&quot;

"Now that I have found someone"

&quot;Well, something you gotta have in...&quot;

"And I'm feeling more alone"

&quot;Well..&quot;

&quot;..behind all this junk around, I..

&quot;Junk!?!&quot;

"Then I ever have before"

&quot;Let me tell ya something about junk, son. See this shit around here, you think it's shit? I think
