

# Feargal Sharkey, A Good Heart

I hear a lot of stories  
I suppose they could be true  
All about love and what it can do to you  
Highest risk of striking out  
The risk of getting hurt  
And still, I have so much to learn

I know, 'cause I think about it all the time  
I know, that real love has quite a price

And a good heart, these days, is hard to find (a good heart)  
True love, the lasting kind  
A good heart, these days, is hard to find  
So please be gentle with this heart of mine

My expectations may be high  
I blamed it on my youth  
Soon enough, I'll learned the painful truth  
I'll face it like a fighter  
Then boast of how I've grown  
Anything is better than being alone

I know, 'cause I learn a little every day  
I know, 'cause I listen when the experts say

That a good heart, these days, is hard to find (a good heart)  
True love, the lasting kind  
A good heart, these days, is hard to find  
So please be gentle with this heart of mine

As I look back on all my childhood dreams  
My ideas of love weren't  
As foolish as they seemed  
If I don't start looking now  
I'll be left behind  
And a good heart these days, it's hard to find

I know, it's a dream I'm willing to defend  
I know, it will all be worth it in the end

And a good heart, these days, is hard to find (a good heart)  
True love, the lasting kind  
A good heart, these days, is hard to find  
So please be gentle with this heart of mine

And a good heart, these days, is hard to find (a good heart)  
True love, the lasting kind  
A good heart, these days, is hard to find  
So please be gentle with this, with this heart of mine

A good heart  
A good heart  
A good heart  
A good heart  
A good heart  
A good heart (FADE)
