

# Feder, Lordly (feat. Alex Aiono)

Once we run the show  
Everyone will know  
The we will be the ones  
That hold the highest truth

I;m from the game strong on my face  
I tell them:  
Don't go  
We love /2x  
That's my place  
There's nothing to do  
I just do it  
Nothing but under this Sun

Once we run the show  
Everyone will know  
The we will be the ones  
That hold the highest truth

There lies a Kingdom in my heart  
A reign of light  
That's lights up the dark  
there's nothing to do  
I just do it  
Nothing but under this Sun
