

Feeder, Divebomb

Do you see what you wanna see?
When you reset sixty-three?
I can't even believe it, I'm waking, chip protected

Divebomb! Time's gone!
Divebomb! Time's gone!

Checking, checking the statements
Dreading living on pensions
I don't wanna believe it, I'm drinking, just to forget it

Divebomb! Time's gone!
Divebomb! Timebomb!

Divebomb! Timebomb!
Divebomb! Time's gone!
Divebomb! Timebomb!
Divebomb! Time's gone
