

Feeder, Feeling A Moment

Feeling the moment slip away
Loosing direction you're loosing faith
You're wishing for someone
Feeling it all begin to slide
Am I just like you?
All the things you do can't help myself

How do you feel when there's no sun?
And how will you be when rain clouds come?
And pull you down again
How will you feel when there's no one
Am I just like you

Turning to face what you've become
Buried the ashes of someone
Broken by the strain
Trying to fill that space inside
Am I just like you?
All the things you do can't help myself

How do you feel when there's no sun?
And how will you be when rain clouds come?
And pull you down again
How will you feel when there's no one
Am I just like you?
All the things you do ...

Don't ever feel that you're alone
I'll never let you down
I'll never leave you dry
Don't fall apart
Don't let it go
Carry the notion
Carry the motion, back to me, to me
Feeling the moment slip away (x2)

'cause I'm just like you
How do you feel when there's no sun?
And how will you be when rain clouds come?
And pull you down again
How will you feel when there's no one
Am I just like you?
