

# Feeder, Space Age Hero

Evaporate, exasperate  
Watch the world with swivel hand  
We're hanging on a wire  
Cigarettes, nicorettes  
Life's addications father stress  
But who can make it better

Oh-ho-ho!  
Watch me rise  
Oh-ho-ho!  
Synchronize  
Take me high  
Space age hero

Pain  
Take the strain  
Go insane  
Like a monkey in a cage  
Melting in a fire

Dislocate, make the break  
Wash the stain right off your feet  
We're hanging on a wire, oh

Oh-ho-ho!  
Watch me rise  
Oh-ho-ho!  
Synchronized  
Take me high  
Space age hero

Dissident  
Take the stand  
Live the system, walk the plank  
We're hanging on a wire

Oh-ho-ho!  
Watch me rise  
Oh-ho-ho!  
Synchronized  
Take me high  
Space age hero

Oh-ho-ho!  
Watch me rise  
Oh-ho-ho!  
Synchronized  
Take me high  
Space age hero
