

Feeder, Swim

Kill, kill or be killed for,
Expected life to be so safe,
Caught, caught in a man trap,
Another part of me has changed

chorus:

Maybe I could swim,
Can't help myself,
It's funny but it seems,
I lose myself,
I'm lost inside a dream,
I hate myself,
the more that I believe,
Can't find my way

Filled, filled with emotion,
sailing off the edge again,
drown, drown all devotion,
riding on a trip to hell

chorus:

Maybe i could swim,
can't help myself,
it's funny but it seems,
I lose myself
i'm lost inside a dream,
I hate myslef,
The more that I believe,
can't find my way x2
