## Feeling Left Out, Razor

Make need of a proper use of a razor not trusting the traffic lights or stop signs i'm hoping this witty wire can fulfill my desire, my desire

(chorus)

and i can't seem to end these strings and i can't seem to scream these words loud enough or hard enough somebody state my name so i know i'm alive

i'm pretty sure i can arrive just as long as you don't expect me on time

i'm burning out my blinker always thought i was the thinker

(chorus)

and i can't see an end to these strings and i can't seem to scream these words loud enough or hard enough somebody state my name so i know i'm alive
