

# Fefe Dobson, Scar

Blowing Palm tress  
Perfect sunsets  
Tricked my mind to get my feet wet

Tired of lies  
Pressure rising  
You're all I have and now your crying  
Oh I hit you way too low  
I've gone too far  
I'm just another scar

[Chorus:]  
And when you told me  
You don't love me anymore  
You don't love me anymore  
You punched me out  
You took me down

I trash talk you  
You trash talk me  
Orchid flowers help me fake I'm happy

Empty bedroom  
Chest is burning  
I've messed up and now I'm paying  
Oh I kicked you way too low  
I've gone too far  
I'm just another scar

[Chorus:]  
And when you told me  
You didn't want to see me again  
You didn't want to never ever see me again your scream and shout turned  
Me around

[Bridge:]  
And now I feel the way you do  
I'm just like you  
I'm just like you  
Now I will never be the same  
No I will never be the same

[Chorus:]  
Now I will never be the same
